A Message from Our Director

I am thanking the Lord for his provision this year as we celebrate **40** years of Spero! You are vital to helping moms and dads at Spero during one of the most vulnerable times of their lives. We praise God for the opportunities that He provides to share the Gospel. It is the Lord working through us. Knowing that we do not do this work by our strength or abilities, gives us peace. And we are looking forward to serving Him during the coming year.

“Train up a child in the way he should go; even when he is old he will not depart from it.”

Proverbs 22:6

Loving the woman to save the baby since 1986
